

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF GAS COST)
RECOVERY FILING OF GASCO)
DISTRIBUTION SYSTEMS, INC.) CASE NO. 2007-00421

O R D E R

On September 26, 2007, Gasco Distribution Systems, Inc. ("Gasco") filed its Gas Cost Adjustment ("GCA") clause to be effective November 1, 2007. By Order dated October 17, 2007, the Commission found, pursuant to KRS 278.190, that additional proceedings were necessary to determine the reasonableness of the proposed GCA and that such proceedings could not be completed by the proposed effective date.

In that Order, the Commission suspended the proposed rates for a period of 5 months from November 1, 2007 until March 31, 2008. The Commission further ordered Gasco to respond to certain information requests within 7 days of the date of that Order.

On October 24, 2007, Gasco moved for an extension of time until November 5, 2007 to respond to the information requests. Gasco stated that "because of the nature of the investigation, the lack of intervenors and lack of a procedural schedule, the delay will not prejudice any party or the Commission."

The Commission, being sufficiently advised, finds that Gasco's motion for an extension of time within which to respond to the information requests should be granted.

IT IS THEREFORE ORDERED that:

1. Gasco's motion for an extension of time until November 5, 2007 in which to respond to the information requests is granted.

2. Gasco shall provide complete and precise responses to the information requests no later than close of business on November 5, 2007.

3. All parties shall provide copies of any materials submitted to the Commission to all other parties of record.

Done at Frankfort, Kentucky, this 1st day of November, 2007.

By the Commission
