

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF GAS COST RECOVERY)
FILING OF GASCO DISTRIBUTION) CASE NO. 2007-00421
SYSTEMS, INC.)

SECOND DATA REQUEST OF COMMISSION STAFF TO
GASCO DISTRIBUTION SYSTEMS, INC.

Gasco Distribution Systems, Inc. ("Gasco"), pursuant to 807 KAR 5:001, is to file with the Commission the original and 4 copies of the following information, with a copy to all parties of record. The information requested herein is due January 4, 2008. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Gasco shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Gasco fails or refuses to furnish all or part of the requested information, Gasco shall

provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to Item 2(a) of the response to the Commission Staff's October 17, 2007 data request.

a. Explain why Gasco did not have a copy of the Commission's Order in Case No. 2002-00426,¹ its most recent Gas Cost Adjustment ("GCA") filing prior to the current filing, in its office files.

b. If Gasco did not receive a Commission Order for Case No. 2002-00426 within the amount of time it typically requires the Commission to process a GCA filing, explain why Gasco did not inquire at the Commission regarding the status of its application.

2. Refer to Item 3(a) of the response to the Commission Staff's October 17, 2007 data request. On a monthly basis, provide Gasco's Mcf sales for the 60 months from July 1997 through June 2002.

3. Refer to the response to Item 9(a) of the Attorney General's November 5, 2007 data request, which concerns the rates on Gasco's Website. The total rates identified as those posted since December 6, 2007 are the same as the total rates

¹ Case No. 2002-00426, Purchased Gas of Gasco Distribution Systems, Inc.

posted prior to that date, although the GCR component after December 6 is roughly \$3.40 per Mcf greater than the prior GCR. Explain whether this is an error only in the data response or if the incorrect total rates have been posted on the Website.
