COMMISSION STAFF'S FIRST DATA REQUEST  
TO REBECCA HALL

Rebecca Hall, pursuant to 807 KAR 5:001, is to file with the Commission the original and 4 copies of the following information, with a copy to Mike Little Gas Company, Inc. ("Mike Little"). The information requested herein is due on or before December 20, 2007. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Rebecca Hall shall make timely amendment to any prior responses if she obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any requests to which Rebecca Hall fails or refuses to furnish all or part of the requested information, she shall provide a written explanation of the specific grounds for her failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Sheet 7(C) of Mike Little's tariff requires that any request for service be made on the company's standard application form or contract form. Did Ms. Hall sign an application form or a contract for service? If Ms. Hall did not sign an application form or contract for service, explain why.

2. State the reasons, if any, that Mike Little's representative provided to Ms. Hall as to why Mike Little would not provide her service.

3. Mike Little alleges in its answer that Ms. Hall has a current heating source and desires natural gas service for the winter months for only a small gas appliance.

a. Does Ms. Hall have a current heating source? If yes, what is the heating source?

b. State whether Ms. Hall agrees that if Mike Little provides natural gas service to her, she must pay for the service year-round, not just in the winter months.
