O R D E R

On November 26, 2007, a motion was filed jointly by Big Rivers Electric Corporation; Duke Energy Kentucky, Inc.; East Kentucky Power Cooperative, Inc.; Kentucky Power Company; Kentucky Utilities Company; and Louisville Gas and Electric Company (collectively "Generating Utilities"), requesting the Commission to modify its November 20, 2007 Order to the limited extent that their responses to the data requests appended to that Order would be due by December 7, 2007, rather than November 29, 2007. The motion states that they need additional time to compile responses due to the past holiday period and previous commitments and schedules of key personnel.

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to grant the extension of time for the filing of responses to the data requests in Appendix B to the November 20, 2007 Order. The Commission further finds that time is of the essence for our consultant to prepare its report. Consequently, the Generating Utilities should endeavor to file partial responses to the data requests as those responses become available. In addition, any requests for clarification or objections to the data requests should be filed by November 29, 2007.

IT IS THEREFORE ORDERED that:

1. The November 20, 2007 Order is modified to the extent that the Generating Utilities shall file their responses to the data requests in Appendix B thereto no later than December 7, 2007, with partial responses filed as they become available.

2. Any requests for clarification or objections to the data requests in Appendix B to the November 20, 2007 Order shall be filed no later than November 29, 2007.

Done at Frankfort, Kentucky, this 27th day of November, 2007.

By the Commission

Commissioner Clark Abstains.
