O R D E R

On November 28, 2007, Kentucky Industrial Utility Customers ("KIUC") filed a petition for full intervention. The petition states that, "KIUC is a non-profit corporation comprised of the largest electric and gas public utility customers in Kentucky." However, the petition does not disclose the identities of the electric and gas customers that are being represented by KIUC.

Based on the KIUC petition for full intervention and being otherwise sufficiently advised, the Commission finds that KIUC should supplement its petition by identifying the electric and gas utility customers that it intends to represent in this proceeding.

IT IS THEREFORE ORDERED that KIUC shall supplement its petition for full intervention by identifying the electric and gas customers that it intends to represent in this proceeding.

Done at Frankfort, Kentucky, this 3rd day of December, 2007.

By the Commission

Commissioner Clark Abstains.
