O R D E R

On April 22, 2008, the Commission entered an Order and procedural schedule in this case. On April 29, 2008, South Central Telcom, LLC and BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky (“the Parties”) jointly filed a motion to amend the procedural schedule by continuing all currently docketed deadlines by one month. As grounds for the motion, the Parties state that the extension will allow them to discuss and review their positions on the issues in this case. The Parties claim that the extension will result in administrative efficiency, as the extension may allow them to reach a settlement or refine any information requests.

The Commission finds that the Parties have provided good cause for granting their joint motion.

IT IS THEREFORE ORDERED that:

1. The Parties’ joint motion is granted.

2. The hearing previously scheduled on July 2, 2008 is cancelled.

3. The Parties shall abide by the procedural schedule attached hereto as Appendix A.

4. a. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and 6 copies to the Commission.

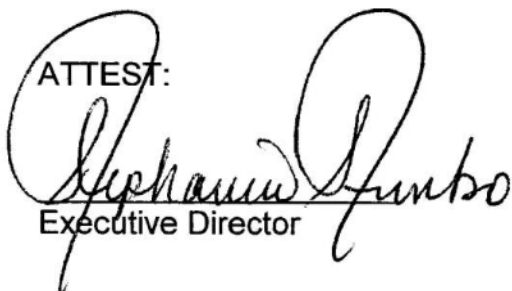

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, shall be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any requests to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Done at Frankfort, Kentucky, this 21<sup>st</sup> day of May, 2008.
