O R D E R

Louisville Water Company (“LWC”) has moved for the scheduling of an informal conference in this matter to discuss the merits of its proposal to supply water to central Kentucky and to address any questions and resolve issues involving that proposal. In the alternative, LWC requests that the Commission appoint a mediator to permit the parties to resolve the disputed issues in this matter through mediation.

The Attorney General, Citizens for Alternative Water Solutions, Bluegrass Water Supply Commission, Kentucky River Authority, and Kentucky-American Water Company have submitted responses to the motion.

Having carefully reviewed the motion and responses and being otherwise sufficiently advised, we find that LWC’s motion should be denied for the same reasons as were set forth in our Order of November 26, 2007.

IT IS THEREFORE ORDERED that LWC’s Motion to Schedule Informal Conference is denied.

Done at Frankfort, Kentucky, this 17<sup>th</sup> day of March, 2008.

By the Commission

Commissioner Clark abstains.
