## COMMISSION STAFF'S SECOND DATA REQUEST TO SHELBY ENERGY COOPERATIVE, INC.

Shelby Energy Cooperative, Inc. ("Shelby Energy"), pursuant to 807 KAR 5:001, is to file with the Commission the original and 4 copies of the following information, with a copy to all parties of record. The information requested herein is due on or before May 9, 2008. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Shelby Energy shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though

correct when made, is now incorrect in any material respect. For any requests to which

Shelby Energy fails or refuses to furnish all or part of the requested information, Shelby

Energy shall provide a written explanation of the specific grounds for its failure to

completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible.

When the requested information has been previously provided in this proceeding in the

requested format, reference may be made to the specific location of that information in

responding to this request. When applicable, the requested information shall be

separately provided for total company operations and jurisdictional operations.

Refer to Shelby Energy's response to Commission Staff's First Data Request,

Item 17(b). What is the value (as of the date Shelby Energy files its response to this

data request) of the remaining services which Dobson Power Line Construction

Company has yet to perform under the November 21, 2006 contract? If the exact value

is unknown, provide an estimation of the amount, as well as a description of any

variables that were used and how the value of those variables was approximated.
