SERVICES TO THE CITY OF RADCLIFF)	

ORDER

Hardin County Water District No. 1 (“Hardin District”) has applied to the Commission for authority to transfer ownership of the sanitary sewer system of the city of Radcliff, to continue operation of the system, and to assume its existing debt. In its filing, Hardin District requested permission to deviate from the filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, which requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application.

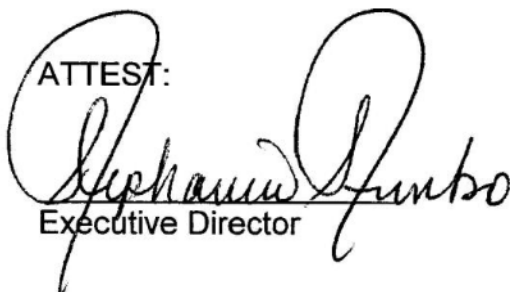

In support of its request for permission to deviate from this requirement, Hardin District states that its most recent financial exhibits are for the 12 months ended December 31, 2006 and that those exhibits are contained in its 2006 Annual Report on file with the Commission. Hardin District further states that this is the most recent financial information available and that no extraordinary circumstances have occurred since December 2006. Upon completion, Hardin District will file its 2007 Annual Report with the Commission.

Administrative Regulation 807 KAR 5:001, Section 14, provides the Commission with the authority to permit deviations from its regulations for good cause shown. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the requested deviation is reasonable and should be granted.

IT IS THEREFORE ORDERED that Hardin District's request for permission to deviate from the filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, is granted.

Done at Frankfort, Kentucky, this 28th day of March, 2008.

By the Commission
