O R D E R

By Order dated May 28, 2008, the Commission granted full intervention to Henry and Anna Vermillion (“the Vermillions”). The Commission finds that the applicant, Kentucky RSA #4 Cellular General Partnership, should be given the opportunity to address the Vermillions’ concerns and to reach a resolution, if possible.

However, to ensure that this proceeding continues in a reasonable and timely manner, the Commission will require each party to submit a written statement indicating whether a resolution has been reached. In the event the parties have resolved all outstanding concerns, the Vermillions should also include in their written statement whether or not they wish to withdraw as intervenors in this matter. The Commission will schedule an informal conference after receipt of the written statements. The purpose of the informal conference is to discuss all aspects of the proposed tower construction and the specific objections or concerns of the intervenors.

The Commission, being otherwise sufficiently advised, HEREBY ORDERS that:

1. Within 15 days of the date of this Order, Kentucky RSA #4 Cellular General Partnership shall submit to the Commission, in writing, a statement indicating whether the parties have resolved all outstanding concerns.

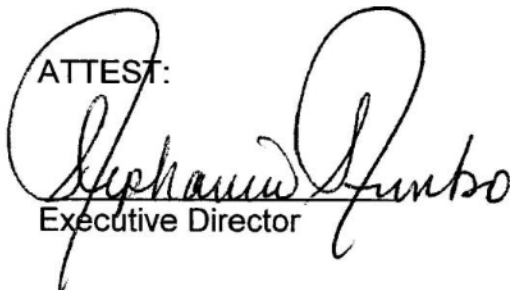

2. Within 15 days of the date of this Order, the Vermillions shall submit to the Commission, in writing, a statement indicating whether the parties have resolved all outstanding concerns. In the event the parties have resolved all outstanding concerns, the Vermillions shall also state whether or not they wish to withdraw as intervenors in this matter.

3. The parties shall serve their statements on all parties of record, and shall file 4 copies with the Commission.

4. An informal conference with Commission Staff shall be held on July 31, 2008 at 10:00 a.m., Eastern Daylight Time, at the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 17th day of June, 2008.
