WATER DISTRICT COMMISSIONERS	)	

O R D E R

The Kentucky Rural Water Association ("KRWA") has applied for accreditation of its 2008 Operator Expo to be held May 21 – 22, in Bardstown, Kentucky. Pursuant to KRS 74.020(7), this Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her duties." The course of instruction for which approval is sought includes instruction in various aspects of water treatment and distribution system operation. Having reviewed KRWA's application describing the proposed courses, the Commission finds that the proposed course will enhance a water district commissioner's understanding of his or her duties and should be approved for 6.0 credit hours for commissioner and board member training.

IT IS THEREFORE ORDERED that:

1. KRWA's proposed course of instruction is hereby approved for a maximum of 6.0 credit hours.
2. KRWA shall retain a record of all persons attending the approved course of instruction.

3. Within 14 days of the completion of the conference, KRWA shall file with the Commission a sworn statement attesting that the approved course of instruction was performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.

Done at Frankfort, Kentucky, this 30<sup>th</sup> day of April, 2008.
