

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INTERCONNECTION AND NET METERING)	
GUIDELINES FOR RETAIL ELECTRIC)	ADMINISTRATIVE
SUPPLIERS AND QUALIFYING)	CASE NO. 2008-00169
CUSTOMER-OWNED GENERATORS)	

O R D E R

This matter arises upon the motions of Appalachia-Science In The Public Interest (“ASPI”), Solar Energy Solutions LLC (“SES”), and Joshua Bills, all filed on June 19, 2008, for full intervention. It appears to the Commission that all three movants have a similar interest in promoting the use of renewable energy and net metering, that they are all represented by the same counsel, and that their joint intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission, being otherwise sufficiently advised, HEREBY ORDERS that:

1. The motions of ASPI, SES, and Joshua Bills to intervene are granted on a joint basis and each of their names and that of their counsel shall be included on the service list for this case.

2. ASPI, SES, and Joshua Bills shall jointly be entitled to the full rights of a party and shall be served with the Commission’s Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should ASPI, SES, or Joshua Bills file documents of any kind with the Commission in the course of these proceedings, ASPI, SES, or Joshua Bills shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 24th day of June, 2008.

By the Commission
