

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT)
APPLICATION OF WEST SHELBY) CASE NO. 2008-00215
WATER DISTRICT)

O R D E R

West Shelby Water District (“West Shelby”) was given notice on May 22, 2008 by Shelbyville Municipal Water & Sewer Commission (“Shelbyville Municipal”) that its wholesale water rate would increase from its current rate of \$1.73 per 1,000 gallons to \$1.78 per 1,000 gallons, effective August 1, 2008. West Shelby filed on June 12, 2008 requesting that the Commission approve a purchased water adjustment for rates according to 807 KAR 5:068. However, on July 8, 2008 West Shelby informed the Commission that it wished to withdraw its application due to notice that Shelbyville Municipal was no longer seeking an adjustment of its wholesale rate.¹ We find that the underlying basis for West Shelby’s request for an adjustment of its water rate has been withdrawn and that this case should be dismissed.

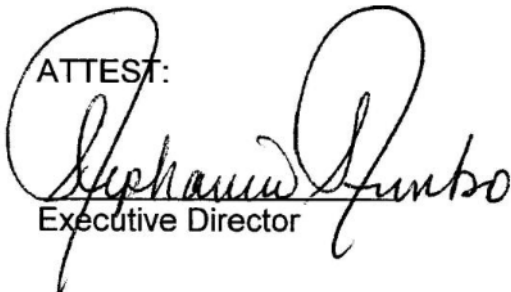

IT IS THEREFORE ORDERED that this case is dismissed as moot and is removed from the Commission’s docket.

¹ Letter to the Commission dated July 3, 2008 from Wanda H. Land, Manager, West Shelby Water District, with attached notice from Shelbyville Municipal Water & Sewer Commission withdrawing proposed wholesale rate adjustment.

Done at Frankfort, Kentucky, this 17th day of July, 2008.
