O R D E R

On August 26, 2008, American Electric Power d/b/a Kentucky Power Company ("Kentucky Power"), on behalf of its DSM Collaborative,<sup>1</sup> filed its 6-month Demand Side Management ("DSM") status report. Kentucky Power notes that the revised DSM Adjustment clause factor for the residential sector has been agreed upon by its DSM Collaborative with the exception of the Office of the Attorney General, who abstained. In its application, Kentucky Power makes the following requests:

<sup>1</sup> The DSM Collaborative includes Kentucky Power, the Attorney General's Office, Kentuckians for the Commonwealth, Big Sandy Area Development District, Northeast Kentucky Area Development Council, Kentucky Tech Northeast Region, Christian Appalachian Project, Kentucky Division of Energy (as a result of restructuring within Kentucky state government, the Kentucky Division of Energy is now the Governor's Office of Energy Policy), Coleman Oil, Cedar Knoll Galleria, Kentucky Industrial Utility Customers, Big Sandy Area Community Action Program, LKLP – Community Action Council, Middle Kentucky River Area Development Council, Appalachian Regional Defense Fund, and Appalachian Service Project.

- A three-year extension of its Targeted Energy Efficiency Program; High Efficiency Heat Pump – Mobile Home Program; the Mobile Home New Construction Program; and the Modified Energy Fitness Program;
- Utilization of the Efficiency Incentive, as described in Case No. 1995-00427,<sup>2</sup> in lieu of the Maximizing Incentive for the All-Electric segment of the Targeted Energy Efficiency Program; and
- Approval to implement its revised DSM tariff effective September 27, 2008, using the new factors with the first billing cycle in October 2008.

Based on a review of the application and being otherwise sufficiently advised, the Commission finds that an investigation is necessary to determine the reasonableness of the proposals and that such investigation cannot be concluded prior to the proposed effective date. Consequently, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the new rates for 5 months.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's proposed rates, which are to be effective on September 27, 2008, are suspended for 5 months, up to and including February 27, 2009.
2. The procedural schedule set forth in Appendix A to this Order shall be followed in this proceeding.
