ORDER

On April 6, 2015, Martin County Water District filed a letter requesting an extension of 45 days to respond to Commission Staff's First Request for Information to Martin County Water District ("Staff's First Request") issued on March 10, 2015. The Commission will treat the letter as a motion. The response to Staff's First Request was originally due on March 25, 2015. In support of its motion, Martin County Water District states that the electronic mail containing Staff's First Request was not received by the office manager. Martin County Water District provided the Commission with the electronic mail address for the office manager for all future correspondence from the Commission.

Having considered the motion, the Commission finds that Martin County Water District's motion for an extension of 45 days to respond to Staff's First Request should be granted.

IT IS THEREFORE ORDERED that:

1. Martin County Water District's motion for an extension of 45 days to respond to Staff's First Request is granted.

2. Martin County Water District shall respond to Staff's First Request no later than May 11, 2015.
