ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 14, 2015, to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Farmers Rural Electric Cooperative Corporation ("Farmers") for the six-month period that ended on April 30, 2015.

As part of this review, Farmers complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission of its intent to attend by October 5, 2015, the hearing would be cancelled and the matter would be considered submitted for decision based on the evidence in the record.

No individual or entity advised the Commission of an intent to attend the hearing by October 5, 2015. The public hearing was cancelled, and the matter is considered submitted for decision based on the evidence in the record.

The Commission, having considered the evidence in the record and being otherwise sufficiently advised, finds no evidence that Farmers has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Farmers through the FAC for the period November 1, 2014, through April 30, 2015, are approved.
