

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	
CLAUSE OF BIG RIVERS ELECTRIC)	CASE NO.
CORPORATION COOPERATIVES FROM)	2023-00015
NOVEMBER 1, 2020 THROUGH OCTOBER 31,)	
2022)	

ORDER

Pursuant to 807 KAR 5:056, the Commission, on September 6, 2023, established this case to review and evaluate the application of the Fuel Adjustment Clause (FAC) of: Jackson Purchase Energy Corporation, Kenergy Corp., and Meade County Rural Electric Cooperative Corporation (collectively, Cooperatives or individually, Cooperative) for the two-year period from November 1, 2020, through October 31, 2022.

In establishing this review, the Commission ordered each Cooperative to individually submit certain information and an affidavit attesting to its adherence to 807 KAR 5:056. On November 20, 2023, a hearing was scheduled for January 4, 2024. In that Order, the Cooperatives were required to publish public notice no less than seven days or more than 21 days prior to the public hearing and file with the Commission an affidavit of publication of hearing notice with the Commission no later than January 3, 2024. If no interested party files written notice of its intent to attend the hearing with the Commission by December 27, 2023, the public hearing would be canceled and the matter would be considered submitted for decision based on the evidence in the record. Having received no written notice of intent to attend the hearing from interest parties, the

Commission canceled the January 4, 2024 evidentiary hearing. There are no intervenors in these proceedings.

Having considered the evidence of record and being otherwise sufficiently advised, the Commission finds during the period under review, the Cooperatives have complied in all material respects with the provisions of 807 KAR 5:056. As Big Rivers Electric Corporation, the wholesale supplier of the Cooperatives, has been authorized to maintain its base fuel rate at its current level in Case No. 2023-00013,¹ the Commission finds that each individual Cooperatives' proposal to maintain rates at the current level should be approved.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by each individual Cooperative through the FAC for the period from November 1, 2020, through October 31, 2022, are approved.
2. Each individual Cooperatives' proposal to maintain its rates at the current level is approved.
3. This case is closed and removed from the Commission's docket.

¹ Case No. 2023-00013, *An Electronic Examination of the Application of the Fuel Adjustment Clause of Big Rivers Electric Corporation from November 1, 2020 Through October 31, 2022* (Ky. PSC May 6, 2024), Order.
