In the Matter of:

ACCREDITATION OF WATER MANAGEMENT	)	2024-00090
TRAINING PROGRAM	)	

ORDER

On April 19, 2024, the Commission entered an Order conditionally approving and accrediting the water district training program offered by Northern Kentucky Water District and Stoll Keenon PLLC, (collectively, Joint Applicants) scheduled to take place on May 8, 2024, titled *Northern Kentucky Water Training 2024* (Training Program) to satisfy up to six hours of annual training described by KRS 74.020(6) and (7). Following the training, Joint Applicants submitted materials indicating, among other things, that the Training Program was conducted as scheduled without material change and identified the water district commissioners who attended and the number of hours they attended. Having reviewed the materials submitted by Joint Applicants and being otherwise sufficiently advised, the Commission finds that the Training Program should be granted final approval.

IT IS THEREFORE ORDERED that:

1. The Training Program is hereby approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020 (6) and (7).

2. The water district commissioners listed in Tab 3 of the Notice of Filing, filed on May 13, 2024, shall receive six hours of water district management training to satisfy the annual training requirements.

3. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

4. This matter is closed and removed from the Commission's docket.
