ORDER

On August 15, 2025, a final Order was issued approving an increase to the annual revenues from water sales for Southern Water and Sewer District (Southern District) in its alternative rate adjustment filing. The final Order contained typographical errors that incorrectly labeled the meter tap size for two of the tap fees and unintentionally omitted “after-hours” in the description of the after-hours nonrecurring charges.

Finding that the August 15, 2025 final Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. Appendix B is stricken and is replaced with the Appendix attached.
2. The adjusted rates in the Appendix to this Order are fair, just and reasonable.
3. All other provisions of the Commission’s August 15, 2025 final Order that are not in conflict with the terms of this Order shall remain in effect.
4. Within 20 days of the date of service of this Order, Southern District shall file with the Commission revised tariff sheets containing the approved rates set forth in the Appendix to this Order.
