ORDER

On August 6, 2025, Exie Solar, LLC (Exie Solar) filed an application seeking a Construction Certificate, pursuant to KRS 278.706, to construct a 110-megawatt merchant electric solar facility in Green County, Kentucky. After the application was filed, the Siting Board received a timely filed request signed by seven persons seeking a local public hearing. The request indicates that the signatories reside in Green County. Pursuant to KRS 278.712(1), the Siting Board, on its own motion, finds that a local public hearing should be scheduled in this matter on September 24, 2025, at 5 p.m. Central Daylight Time.

KRS 278.712(1) states that “[t]he [Siting] board may convene a local public hearing upon receipt of a request by not less than three (3) interested persons that reside in a county . . . in which the facility is proposed to be constructed.” Siting Board regulation 807 KAR 5:110, Section 8(2), requires that the requests for a local public hearing be made in writing no later than 30 days after a completed application is filed.

Based upon the timely requests received from multiple Green County residents, the Siting Board finds that a local public hearing shall be scheduled on September 24, 2025, at 5 p.m. Central Daylight Time, at the Green County Courthouse, at 203 West Court Street Greensburg, Kentucky 42743. Exie Solar shall give public notice of the local public hearing as required in 807 KAR 5:110, Section 9(2). Exie Solar shall submit proof to the Siting Board of such notice at least three days prior to the September 24, 2025, local public hearing.

Siting Board regulation 807 KAR 5:110, Section 8(3)(b), requires that the Siting Board provide notice of the local public hearing to the Green County Judge Executive at least 14 days prior to the hearing date. The Siting Board finds that a copy of this Order shall be served upon Green County Judge Executive John Frank.

IT IS THEREFORE ORDERED that:

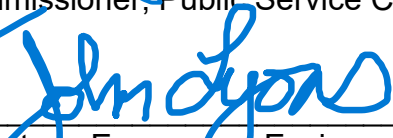

1. A local public hearing in this matter is scheduled for September 24, 2025, at 5 p.m. Central Daylight Time, at Green County Courthouse, 203 West Court Street, Greensburg, Kentucky 42743.
2. Exie Solar shall give timely notice of this local public hearing in a newspaper of general circulation in Green County as required by 807 KAR 5:110, Section 9(2).
3. Exie Solar shall submit proof to the Siting Board of the notice to the public at least three days prior to the September 24, 2025, hearing.
