SITING BOARD STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO EXIE SOLAR, LLC

Exie Solar, LLC (Exie Solar), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on January 5, 2026. The Siting Board directs Exie Solar to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Exie Solar shall make timely amendment to any prior response if Exie Solar obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Exie Solar fails or refuses to furnish all or part of the requested information, Exie Solar shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Exie Solar shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Explain whether there are any above ground or below ground oil storage tanks within the project area.
2. Explain whether the oil storage tanks are abandoned or being maintained has an active pumping site.

3. Refer to Siting Board Staff's First Request for Information (Staff's First Request), Item 61. Provide any information that Exie Solar may have that was used to create the map filed in response to Staff's First Request, Item 61.

4. Explain whether the applicant, or any entities with ownership interest in Exie Solar has violated any state or federal environmental laws or regulations. Specifically, the entities that were included in the corporate structure chart.

5. Refer to the Motion for Deviation from the Setback Requirements. For the closest residence (dwelling not property line) in neighborhood SR 218 and the cluster of homes along Liletown Road provide a table with the distance to the following:

- a. Fencing;
- b. Closest solar panel ;
- c. Closest inverter;
- d. Substation;
- e. Battery Storage.

6. Provide details regarding the waste facility that was discussed during the hearing on December 18, 2025, that was capable of handling damaged solar panel. Include in the response describe how Exie Solar dispose of damaged solar panels.
