| COMMISSIONER TRAINING            | ) |            |

ORDER

On September 19, 2025, the Commission entered an Order conditionally approving and accrediting the water district training program offered by Hardin County Water District No. 2 and Stoll Keenon Ogden PLLC (Applicants) scheduled to take place on September 29, 2025, titled Hardin County Water Commissioner Training Seminar (Training Program) to satisfy up to six hours of annual training described by KRS 74.020(6) and (7). Following the training, Applicants submitted materials indicating, among other things, that the Training Program was conducted as scheduled without material change, the name and district of each attending water district commissioner, and the number of hours that each water district commissioner attended. Having reviewed the materials submitted by Applicants and being otherwise sufficiently advised, the Commission finds that the Training Program should be granted final approval.

IT IS THEREFORE ORDERED that:

1. The Training Program is approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020(6) and (7).

2. The water district commissioners listed in Exhibit 2 of the Notice of Filing, filed October 1, 2025, shall receive six hours of water district management training to satisfy the annual training requirements.

3. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

4. This case is closed and removed from the Commission's docket.
