with the Commission pursuant to 807 KAR 5:056, Section 2(1)-(4), for the period under review, should be incorporated by reference into this proceeding.

The Commission, on its own motion, finds that a procedural schedule should be established for the orderly processing of this case. A procedural schedule is set forth in Appendix A to this Order.

In addition, each Cooperative shall file on or before the date set forth in the procedural schedule its responses to the Commission Staff's request for information, attached to this Order as Appendix B, and shall respond to any future requests for information propounded by Commission Staff by the date or dates set forth on any such requests.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in Appendix A to this Order shall be followed.
2. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085⁴ regarding filings with the Commission.
3. On or before the date set forth in the procedural schedule, each Cooperative shall file its responses to the Commission Staff's request for information, attached to this Order as Appendix B, and shall respond to any future requests for information propounded by Commission Staff by the date or dates set forth on any such requests.

⁴ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

4. Cooperatives shall respond to any additional requests for information propounded by Commission Staff as provided in those requests.

5. Each Cooperative shall individually respond to the request for information attached to this Order as Appendix B by the date set forth in the procedural schedule attached as Appendix A.

6. Each Cooperative shall provide its response to the request for information issued by Commission Staff in full. In providing its responses, each Cooperative shall refrain from referring back to a similar question asked in a prior six-month period FAC review case. Cooperatives may refer to a response filed in a prior FAC review case but shall still furnish all of the requested information and make note if the response merits no change. Should the response merit change, then the Cooperative may reference the response provided in a prior six-month review case and explain in detail what changes have occurred since the response was given.

7. Unless otherwise ordered by the Commission, the electronic filing procedures set forth in 807 KAR 5:001, Section 8, shall be followed when filing papers in this proceeding.

8. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented,

or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

9. Any motion to intervene filed after the date established in the procedural schedule attached as Appendix A to this Order shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

10. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

11. The Commission does not look favorably upon motions to substitute witnesses or excuse witnesses from testifying at Commission hearings. Accordingly, motions to substitute witnesses or excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing and will be granted only upon a showing of good cause.

12. All documents that the Cooperatives filed with the Commission pursuant to 807 KAR 5:056, Section 2(1)–2(4), for the period under review are incorporated by reference into the record of this proceeding.

13. The records of the prior six-month review cases of Case Nos. 2024-00143, 2024-00151, and 2025- 00080 that include review periods that are included in the two-year period of November 1, 2022, through October 31, 2024 shall be incorporated by reference into this proceeding.

14. Each Cooperative shall give notice of the hearing in compliance with 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statements: “This hearing will be streamed live and may be viewed by connecting to the YouTube link posted on the PSC website, psc.ky.gov” the day of the hearing, and “Public comments may be made at the beginning of the hearing. Those wishing to provide public comments may do so by arriving at 211 Sower Boulevard, Frankfort, Kentucky, before the start of the hearing. At the time the notice is mailed or publication is requested, Cooperatives shall forward a duplicate of the notice and request to the Commission.

15. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

16. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

17. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
