

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF OLDHAM)	CASE NO.
COUNTY WATER DISTRICT FOR AN)	2023-00252
ALTERNATIVE RATE ADJUSTMENT)	

ORDER

On June 18, 2024, the Commission issued an Order in this matter setting water service rates for Oldham County Water District (Oldham District) in an alternative rate filing adjustment pursuant to 807 KAR 5:076.¹ In that Order, the Commission reduced \$125,241 in employee health and dental insurance expense from Oldham District's revenue requirement.²

Oldham District appealed that decision to Franklin Circuit Court and on September 24, 2025, the Franklin Circuit Court entered an Opinion and Order reversing the Commission's June 18, 2024 Order to the extent it excluded \$125,241 from Oldham District's revenue requirement.³ On October 15, 2025, the Court amended its Order to clarify that the disputed amount was to be included in Oldham District's revenue requirement.⁴ The Court's decision became final on November 14, 2025.

¹ Final Order (Ky. PSC, June 18, 2024).

² Final Order at 14-15.

³ *Oldham County Water District v. Public Serv. Comm'n*, Franklin Circuit Ct., Div. I, Civil Action No. 24-CI-00725 (Sept. 24, 2025).

⁴ *Oldham County Water District v. Public Serv. Comm'n*, Franklin Circuit Ct., Div. I, Civil Action No. 24-CI-00725 (Oct. 15, 2025).

On January 16, 2026, Oldham District filed a motion for informal conference requesting guidance regarding implementation of the Court's Order.⁵ An informal conference was subsequently held with Commission Staff, and a memo was filed in the record.⁶

On February 26, 2026, Oldham District filed a revised tariff sheet setting forth rates designed to recover the \$125,241 expense for employee health and dental insurance that the Franklin Circuit Court determined should be included in Oldham District's revenue requirement.⁷

The Commission finds that Oldham District's February 26, 2026 tariff filing reflects rates calculated to include the \$125,241 in its revenue requirement⁸ consistent with the Franklin Circuit Court's Opinion and Order.

Accordingly, the Commission finds that acceptance of Oldham District's revised tariff filing with the effective date of March 31, 2026, is appropriate to implement the Franklin Circuit Court's Order.

IT IS THEREFORE ORDERED that:

1. Oldham County Water District's revised tariff sheet filed February 26, 2026, is accepted.

⁵ Oldham District's Motion for Informal Conference (filed Jan. 16, 2026).

⁶ PSC Notice of Filing of Informal Conference Memorandum and Attendance List (filed Mar. 2, 2026).

⁷ TFS2026-00070, Oldham County Water District's Tariff filing in conformity with Order of Franklin Circuit Court related to Case No. 2023-00252 (ARF) (Tariff Filing) (filed Feb. 26, 2026).

⁸ TFS2026-00070, Tariff Filing at OldhamCWD_Tariff_ARF_Case_2023-252_Support_Calculations.xlsx.

2. The approved rates shall become effective March 31, 2026, as reflected in the revised tariff sheet.

3. All other provisions of the Commission's June 18, 2024 Order not inconsistent with the Franklin Circuit Court's Opinion and Order shall remain in full force and effect.

4. This case is closed and removed from the Commission's docket.
