

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF WEBSTER)	
COUNTY WATER DISTRICT FOR AN)	CASE NO.
ALTERNATIVE RATE FILING PURSUANT TO 807)	2024-00199
KAR 5:076)	

ORDER

On December 23, 2025, the Commission issued an Order¹ in this matter approving adjustments to water service rates for Webster County Water District (Webster District) in its application for a rate adjustment pursuant to 807 KAR 5:076. On January 15, 2026, the Commission issued a *nunc pro tunc* correcting the effective date of the rates set forth in Appendix B as on or after December 23, 2025. Appendix B to the final Order, Monthly Water Rates, contained an error. The 3-Inch Meter minimum bill for the first 30,000 gallons is listed as \$303.86 instead of the correct minimum bill of \$308.14. The number of customers that Webster District listed in the case as using a 3-Inch Meter is zero.

Finding that the December 23, 2025 Order as amended by the January 15, 2026 *nunc pro tunc* should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that:

1. The rate Appendix B to the December 23, 2025 Order is stricken and replaced with the Appendix to this Order.
2. The rates in the Appendix to this Order are fair, just and reasonable.

¹ Order (Ky. PSC Dec. 23, 2025).

3. All other provisions of the Commission's December 23, 2025 Order, as amended by Order dated January 15, 2026, that are not in conflict with the terms of this Order shall remain in effect.

4. Within 20 days of the date of service of this Order, Webster District shall file with the Commission revised tariff sheets containing the approved rates.
