

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY	)	CASE NO.
FRONTIER GAS, LLC FOR A DECLARATORY	)	2025-00042
ORDER ON FREE GAS	)	

ORDER

On November 26, 2025, Kentucky Frontier Gas, LLC (Kentucky Frontier) filed a motion, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878, requesting that the Commission grant confidential treatment for an indefinite period to Kentucky Frontier's response to Commission Staff's First Request for Information (Staff's First Request), Items 5 and 11.

Kentucky Frontier's response to Staff's First Request, Item 5, contained a map of the Fontaine-Williams Gas Gathering System, LLC (FWGGS). Kentucky Frontier argued the map should remain confidential because disclosure would provide the route of a gas line that is critical infrastructure and is exempt from disclosure pursuant to KRS 61.878(1)(m).

Having considered the motion and the material at issue, the Commission finds that map of the FWGGS pipeline should be exempted from public disclosure pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1)(m) for an indefinite period because the map reveals the location of critical infrastructure that could be made vulnerable, if publicly disclosed.

Kentucky Frontier's response to Staff's First Request, Item 11 contained a list of the known addresses and occupants of individuals taking service on the FWGGS pipeline. Kentucky Frontier argued that this information should be granted confidential treatment pursuant to KRS 61.878(1)(a) because disclosure of these names would be an unwarranted invasion of personal privacy.

The Commission finds that the names and addresses of individuals connected to the FWGGS pipeline is information of a personal nature that would be an unwarranted invasion of personal privacy if disclosed and grants confidential treatment pursuant to KRS 61.878(1)(a) for an indefinite period.

IT IS THEREFORE ORDERED that:

1. Kentucky Frontier's November 26, 2025 motion for confidential treatment is granted.
2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for an indefinite period or until further order of this Commission.
3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9).
4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Kentucky Frontier shall inform the Commission and file with the Commission an unredacted copy of the designated material.
5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been

granted confidential treatment has not expired, Kentucky Frontier shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Kentucky Frontier is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

6. The Commission shall not make the requested material available for inspection for 30 days from the date of service of an Order finding that the material no longer qualifies for confidential treatment in order to allow Kentucky Frontier to seek a remedy afforded by law.
