COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY POWER COMPANY FOR A DECLARATORY ORDER RELATED TO CUSTOMER ELIGIBILITY TO CONTINUE TAKING SERVICE UNDER TARIFF NET METERING SERVICE II	)))))	CASE NO. 2025-00166

O R D E R

On October 2, 2026, Kentucky Power Company (Kentucky Power) filed its motion to hold proceedings in abeyance until Case No. 2020-00302[1] is resolved. The present case is a declaratory order application filed by Kentucky Power, with Martin County Health Department (MCHD) intervening. Kentucky Power believes Case No. 2020-00302, which is an investigation case into net metering and interconnection rules, may inform, null, or otherwise affect the issues in the present case.[2]

Having reviewed the motion and record, the Commission finds that the motion for abeyance should be granted. Kentucky Power's application seeks an order declaring that the MCHD cannot sell any excess generation arising from a proposed behind-the-meter battery storage facility under the rates contained in Tariff N.M.S. II.[3] The Commission agrees that the present matter could be affected by the outcome of Case No. 2020-00302. Within 90 days following the issuance of the final Order, including any Order in rehearing,

[1] Case No. 2020-00302, *Electronic Investigation of Interconnection and Net Metering Guidelines* (Ky. PSC Sept. 24, 2020), opening Order.

[2] Kentucky Power's Motion to Hold Proceeding in Abeyance (filed Oct. 2, 2026) at 1.

[3] Application (filed June 27, 2025) at 1.

in Case No. 2020-00302, Kentucky Power should file a motion in this matter requesting it be returned to the Commission's active docket.

IT IS THEREFORE ORDERED that:

1. Movant's motion for an abeyance is granted.

2. This matter is held in abeyance until a final order is issued in Case No. 2020-00302.

3. Within 90 days following the issuance of the final Order, including any Order in rehearing, in Case No. 2020-00302, Kentucky Power shall file a motion in this matter requesting it be returned to the Commission's active docket.
