COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION  
TO GREEN RIVER VALLEY WATER DISTRICT

Green River Valley Water District (Green River Valley District), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on March 20, 2026. The Commission directs Green River Valley District to the Commission's July 22, 2021, Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Green River Valley District shall make timely amendment to any prior response if Green River Valley District obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Green River Valley District fails or refuses to furnish all or part of the requested information, Green River Valley District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Green River Valley District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Joint Application, Exhibit 6, Asset Purchase Agreement, pages 4-7 of 30, paragraph 2, Assets Being Transferred, items A-L (Assets).

a. Provide the fair market value (FMV) for each of the listed Assets proposed to be transferred. State whether an independent appraisal was performed.

b. If so, provide a copy of the appraisal report and identify the valuation methodology used. If no appraisal was carried out, explain how the purchase price or value of the Assets was determined.

2. Refer to the Joint Application, Exhibit 6, Asset Purchase Agreement, pages 4-7 of 30, paragraph 2, Assets Being Transferred, items A-L. Provide the net book value of each of the listed Assets proposed to be transferred, as of the most recent practicable date prior to closing. If the FMV or appraised value differs from netbook value, explain in detail how Green River Valley District proposes to account for the difference for accounting and ratemaking purposes.

3. Refer to the Joint Application, page 8, paragraph 23, which states that Green River Valley District will assume 52 percent of the outstanding principal balance of Edmonson County Water District's debt obligations.

a. Provide a detailed explanation of how the 52 percent allocation was calculated.

b. Identify all assumptions used in determining this percentage.

c. State whether the percentage is based on customer counts, asset allocation, revenue allocation, geographic service area, depreciated cost allocation, or another methodology.

d. Provide all workpapers supporting the calculation, including any Excel spreadsheets with cells unlocked.
