PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if Duke Kentucky obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, Duke Kentucky shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Regarding the repeal of the "Endangerment Finding" in Section 202(a) of the Clean Air Act:

a. Explain how its repeal affects Duke Kentucky's current and future planning in its environmental compliance strategy.

b. Explain how its repeal affects Duke Kentucky's current and future operating strategy.

c. Explain whether its repeal affects Duke Kentucky's current and future planning as it relates to controls for any pollutant limitations listed in the National Ambient Air Quality Standards (NAAQS).

d. If not discussed above, explain whether Duke Kentucky is aware of any pending relaxation of environmental control standards that may affect its current level of compliance related to fossil fuel generation.
