ORDER

On April 8, 2026, Jackson Purchase Energy Corporation (Jackson Purchase Energy) filed a motion seeking to amend the Commission’s procedural schedule that was issued on April 8, 2026. In support of Jackson Purchase Energy’s request, it stated that its sole witness, Meredith Kendall, who is the chief financial officer and vice-president of finance and accounting, had a previously scheduled obligation outside of the United States until April 30, 2026.

Jackson Purchase Energy requested that the Commission amend the procedural schedule in two ways. First, that the initial request for information be issued to Jackson Purchase Energy no later than May 1, 2026, instead of April 24, 2026, as originally ordered; and secondly, that Jackson Purchase Energy’s responses be due no later than May 11, 2026, instead of May 1, 2026, as originally ordered.

Based on the foregoing, the Commission finds that Jackson Purchase Energy’s motion should be granted and that the procedural schedule issued on April 8, 2026, should be amended. The procedural schedule should be amended to require initial requests for information to Jackson Purchase Energy be issued no later than May 1, 2026,

and that Jackson Purchase Energy respond to any initial requests for information no later than May 11, 2026.

IT IS THEREFORE ORDERED that:

1. Jackson Purchase Energy's April 8, 2026 motion is granted.
2. All initial requests for information to Jackson Purchase Energy shall be filed no later than May 1, 2026.
3. Jackson Purchase Energy shall file responses to initial requests for information no later than May 11, 2026.
4. The last day for parties to request a public hearing or submit a request for the matter to be decided based upon the written record will be May 21, 2026.
5. All portions of the Commission's April 8, 2026 Order not in conflict with this Order shall remain in effect.

Entered on this 24th day of April, 2026.
