ORDER

On April 21, 2026, Kentucky Power Company (Kentucky Power) filed a notice of intent to file an application for a Certificate of Public Convenience and Necessity (CPCN) to construct a new in-state generation resource.

On October 8, 2026, an Informal Conference was held between Commission Staff and Kentucky Power. Kentucky Power stated that it had intended to file an application in this case for a CPCN for a combustion turbine with about 450 MW of capacity. However, Kentucky Power indicated that due to a finalized agreement with TeraWulf, Inc., the amount of generation initially anticipated had doubled. Kentucky Power stated that it intended to file a motion to withdraw the current case with the intent of filing a new case for a CPCN for a 760 MW combined cycle unit.

On October 9, 2026, Kentucky Power filed a motion to withdraw its notice and close this case.

Having reviewed the request, the Commission finds that the request should be granted, and this case closed and removed from the docket.

IT IS THEREFORE ORDERED that:

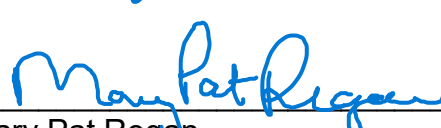

1. Kentucky Power's October 9, 2026 motion to withdraw its notice is granted.
2. This case is closed and removed from the Commissions docket.
