On June 16, 2026, the Commission ordered Meade County Water District (Meade District) to satisfy the matters complained of or file a written answer. On June 25, 2026, Meade District filed an answer to Kelley Jeans' complaint. To ensure the orderly processing of this case, the Commission, on its own motion, finds that procedural deadlines allowing the parties to exchange discovery, brief their positions, and request a hearing or that the case be decided on the record should be established.

IT IS THEREFORE ORDERED that:

1. All parties shall file any requests for information to be answered by other parties no later than November 13, 2026.

2. All responses to requests for information to a party shall be filed no later than December 4, 2026.

3. Requests for information and responses to requests for information shall comply with 807 KAR 5:001, Section 12.

4. All parties shall file a request for a hearing, if any, supported by a detailed statement of the factual issues to be raised therein no later than December 18, 2026, and all parties may file a brief, as part of or separate from any request for a hearing, explaining their respective positions on the substantive issues presented in this case no later than December 18, 2026.
