COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY POWER COMPANY FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO CONSTRUCT 69KV TRANSMISSION LINES AND ASSOCIATED TRANSMISSION GRID UPGRADES IN PIKE COUNTY, KENTUCKY (BREAKS-DORTON PROJECT)	)))))))	CASE NO. 2026-00184

O R D E R

On September 11, 2026, Kentucky Power Company (Kentucky Power), pursuant to KRS 278.020(1), and 807 KAR 5:001, Section 15, submitted an application for a Certificate of Public Convenience and Necessity (CPCN) to expand and upgrade portions of the Breaks-Dorton electric transmission grid located primarily in Pike County, Kentucky.

KRS 278.020(9) requires the Commission to issue a decision no later than 90 days after the application is filed unless the Commission extends this period, for good cause, to 120 days. Due to the nature of the case and the issues involved, the Commission finds that good cause exists in this matter to warrant such an extension to permit the Commission opportunity to thoroughly review the application. Therefore, the Commission will continue the application to 120 days, up to and including January 16, 2027.[1]

IT IS THEREFORE ORDERED that this case is continued to 120 days, up to and including January 16, 2027.

[1] January 16, 2027, is a weekend. The Commission will issue the final Order no later than January 15, 2027.

Entered on this 25th day of November, 2026.
