Commission Staff hereby schedules an informal conference on October 26, 2026, at 1 p.m. Eastern Daylight Time, to take place via video conference link. Staff anticipates issuing its first request for information prior to the conference. The conference will give utilities and other parties an opportunity to review the requests and ask for any clarification Staff may be able to provide before responses are due. The conference is intended to assist with data collection and is not intended to address the substantive merits of the parties' opening comments. Staff has allotted 90 minutes because of the number of parties and utilities that may wish to participate.

Commission Staff will contact participants by electronic mail to provide details for joining the conference by video link.
