OF PUBLIC CONVENIENCE AND NECESSITY	)	2026-00202
FOR PROJECTS TO BE INCLUDED IN THE	)	
PIPELINE MODERNIZATION RIDER	)	

COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO ATMOS ENERGY CORPORATION

Atmos Energy Corporation (Atmos), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on October 30, 2026. The Commission directs Atmos to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Atmos shall make timely amendment to any prior response if Atmos obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Atmos fails or refuses to furnish all or part of the requested information, Atmos shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Atmos shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Atmos's response to Commission Staff's First Request for Information (Staff's First Request), Item 1(a). State the remaining useful life of each existing pipeline proposed to be replaced.

2. Refer to Atmos's response to Staff's First Request, Item 2(a) and, in Case No. 2024-00276, Atmos's response to Commission Staff's First Post-Hearing Request for Information, Item 2, including Exhibit TRA-5.²

a. Explain why Atmos changed the Proposed MOAP Reconfirmation Method for the Domtar pipeline from Pressure Test in the original Exhibit TRA-5 to Pipe Replacement in the updated version of TRA-5.

b. Atmos's response to Staff's First Request, Item 2(a)(3) stated that the cost decreased from the original Exhibit TRA-5. However, the original Exhibit TRA-5 does not include the cost of pressure testing for the Domtar line. Identify and provide any information used to calculate the cost of pressure testing at the time the original Exhibit TRA-5 was created and at the time the updated version of Exhibit TRA-5 was created.

c. For each "Pipeline Replacement" project on the updated Exhibit TRA-5 listed as "Complete" or "In Progress" identify and provide the Commission case number in which Atmos filed for a CPCN or explain why a CPCN was not necessary.
