2. Each Cooperative shall individually file with the Commission, on or before December 2, 2026, an affidavit attesting to its compliance or noncompliance with the requirements of 807 KAR 5:056 for the entire review period of November 1, 2024, through April 30, 2026.

3. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. 7. Any request for intervention must be filed by November 13, 2026.

8. Any motion to intervene filed after November 13, 2026, shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

9. Pursuant to 807 KAR 5:001, Section 8, unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall be deemed to have consented to the use of electronic filing procedures and the service of all papers, including orders of the Commission, by electronic means; the party shall file with the Commission, within seven days of the date of service of an order of the Commission granting the intervention, a written statement that the party waives any right to service of Commission orders by United States mail; and the party, or the party's authorized agent, possesses the facilities to receive electronic transmissions.

10. Witnesses who sponsor schedules, testimony, or responses to requests for information shall participate in person at any hearing scheduled in this matter.
