

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT	)	CASE NO.
FILING OF NAVITAS KY NG, LLC	)	2026-00284

ORDER

On September 30, 2026, Navitas KY NG, LLC (Navitas KY) filed a quarterly Gas Cost Recovery (GCR) rate report with a proposed effective date of November 1, 2026. Navitas KY also filed a motion for confidential treatment of certain information submitted with its GCR report. After reviewing the current GCR rate report, the Commission has determined that additional time for analysis is necessary.

KRS 278.030 provides that a utility may collect fair, just and reasonable rates and that the service it provides must be adequate, efficient and reasonable. Having reviewed the proposed GCR rate report and being otherwise sufficiently advised, the Commission finds that an investigation cannot be completed before November 1, 2026. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed GCR rates for one day, until November 2, 2026, to give the Commission time to investigate the proposed GCR rates, and to allow Navitas KY to begin charging the GCR rates, pending a final Order and subject to refund, provided it provides written notice to the Commission of its intention to do so as required by KRS 278.190(2). Navitas KY should maintain its records in such a manner to allow it, the Commission, or any customer to determine the amounts to be refunded, and to whom, in the event a refund is ordered upon final resolution of this matter.

Motion for Confidential Treatment

On September 30, 2026, Navitas KY filed a motion, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878, requesting that the Commission grant confidential treatment for five years for invoices which contain pricing and volume information from third-party natural gas suppliers.

In support of its motion, Navitas KY argued that the public disclosure of the invoices could place Navitas KY at a competitive disadvantage pursuant to KRS 61.878(1)(c)(1). Navitas KY claimed that public disclosure would negatively impact its ability to fairly negotiate terms with counterparties in the marketplace.

Having considered the motion and the material at issue, the Commission finds that the invoices containing pricing and volume information from third-party natural gas suppliers are generally recognized as confidential or proprietary because their disclosure could put Navitas KY at a competitive disadvantage; they therefore meet the criteria for confidential treatment and should be exempted from public disclosure pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1)(c)(1).

IT IS THEREFORE ORDERED that:

1. Navitas KY's proposed GCR rates are suspended for one day, until November 2, 2026.
2. Navitas KY's proposed GCR rates may be placed in effect by Navitas KY on, or after November 2, 2026, pending the final Order in this matter and subject to refund, provided Navitas KY files written notice to the Commission of its intention to do so as required by KRS 278.190(2).

3. If Navitas KY files notice of its intention to place the proposed GCR rates into effect after the end of the suspension period, Navitas KY shall maintain its records in such manner as will allow it, the Commission, or any customer to determine the amounts to be refunded and to whom in the event of a refund is ordered upon final resolution of this matter.

4. When filing a paper with the Commission, Navitas KY shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs Navitas KY to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission.

5. Navitas KY's September 30, 2026 motion for confidential treatment is granted.

6. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for five years or until further order of this Commission.

7. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9).

8. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Navitas KY

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

shall inform the Commission and file with the Commission an unredacted copy of the designated material.

9. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Navitas KY shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Navitas KY is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

10. The Commission shall not make the requested material available for inspection for 30 days from the date of service of an Order finding that the material no longer qualifies for confidential treatment in order to allow Navitas KY to seek a remedy afforded by law.

Entered on this 28th day of October, 2026.
