

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SOUTH)
WOODFORD WATER DISTRICT)
PROPOSING INCREASED METER) CASE NO. 8521
CONNECTION CHARGES)

O R D E R

On September 14, 1981, South Woodford Water District ("South Woodford") initiated a series of tariff filings. In part, the tariff filings concerned meter connection charges. On May 19, 1982, the Commission issued a show cause order requiring South Woodford to obtain competitive bids on meter connections. On June 6, 1982, a hearing was held to consider the reasonableness of South Woodford's meter connection charges.

The Commission is of the opinion that evidence filed at the hearing is inadequate to render a final decision in the matter.

IT IS THEREFORE ORDERED that South Woodford shall file additional information as shown in Format No. 1 with the Commission, within 15 days from the date of this Order. The information shall be provided for each size meter connection made by South Woodford. The information shall be accompanied by all documentation necessary to its evaluation.

Done at Frankfort, Kentucky, this 3rd day of September,
1982.
