In the Matter of

GENERAL ADJUSTMENT IN ELECTRIC)
AND GAS RATES OF LOUISVILLE GAS) CASE NO. 8616
AND ELECTRIC COMPANY)

O R D E R

On the 27th day of October, 1982, the Secretary of Defense, by counsel, filed a Motion to Intervene in the above case. The Motion also requests that the Commission grant an extension of time for the filing of inquiries for information for a reasonable period following the granting of leave to intervene.

On the 29th day of October, 1982, Louisville Gas and Electric Company, by counsel, filed its Response wherein it objects to the Motion with respect to the request for an enlargement of time for filing requests for information.

The Commission, having considered the Motion and Response and being advised, is of the opinion and finds that: (1) the Motion to Intervene should be sustained, and (2) the time constraints imposed by KRS 278.190 require that the Commission adhere to its Order of Procedure entered September 13, 1982, as amended by Order entered September 28, 1982, unless there is a showing of extraordinary circumstances, and that the Motion does not constitute a showing.

IT IS THEREFORE ORDERED That the Motion to Intervene
be and it hereby is sustained, and the Motion for an extension
of time to file requests for information be and it hereby is
overruled.

Done at Frankfort, Kentucky, this 3rd day of November, 1982.
