

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

STATE-WIDE PLANNING FOR THE EFFICIENT)	
PROVISION OF ELECTRIC GENERATION AND)	CASE NO. 8666
TRANSMISSION FACILITIES)	

ORDER OF PROCEDURE

Since the Commission's order of September 28, 1982, initiating this proceeding was entered, the Commission has received inquiries indicating an interest in participating from several persons who were not named as parties in that order. In designating those original parties it was not the intent of the Commission to exclude other persons interested in participating; in fact, the Commission welcomes public comment in formulating its request for proposals.

The Commission envisions two types of participants at this stage of the proceeding -- parties and non-party participants. Persons wishing to become parties to this proceeding may file motions to intervene by November 12, 1982, stating their status and interest in the matter. All non-party participants who desire to be listed on the service list to be compiled by the Commission shall notify the Commission Secretary in writing by November 12, 1982. The service list will thereafter be sent to all parties and designated non-party participants for use in

serving copies of their written comments on each other when they are filed with the Commission November 19, 1982. Non-party participants who are not on the service list may still provide the Commission with written comments and/or make a statement at the hearing to be held November 29, 1982.

At the November 29, 1982, hearing although all parties and non-party participants will be allowed to present their comments orally, cross-examination will not be permitted. Questioning by the staff will be limited to seeking clarification of comments. The Commission in its discretion, may direct questions to a commenter that are tendered to the bench in writing by a participant.

IT IS THEREFORE ORDERED that motions to intervene and/or requests for placement on the service list shall be filed by November 12, 1982.

Done at Frankfort, Kentucky, this 15th day of October, 1982.

PUBLIC SERVICE COMMISSION
