IT IS THEREFORE ORDERED that the first grammatical sentence on page 25 of the Commission's Order of December 1, 1983, shall be amended to read: "The Commission has determined that Western needs additional annual operating income of \$2,585,525 to produce a rate of return of 14.5 percent on common equity based on the adjusted historical test year."

IT IS FURTHER ORDERED that all other provisions of the Commission's Order of December 1, 1983, not amended herein shall remain in full force and effect.
