TO THE ALTERNATIVE PROCEDURE)
FOR SMALL UTILITIES)

O R D E R

IT IS ORDERED that the Overland Development, Inc. ("Overland") shall file an original and seven copies of the following information with the Commission with a copy to all parties of record by September 18, 1983. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

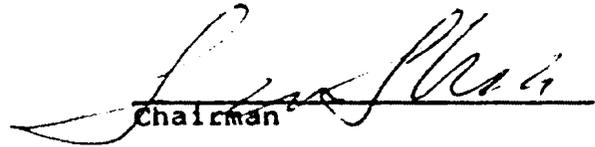

(1) Explain how changing your rate design will benefit the customers. How will it benefit the utility?

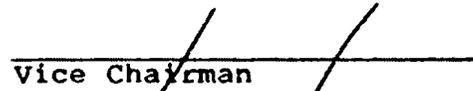

(2) Why did your number of customers using the minimum change in the present and proposed billing analysis? See billing analysis for present and proposed rates.

(3) What is the purpose of the last two rate steps in your proposed rate design? Do you anticipate additional customers who may use 30,000 gallons or more?

Done at Frankfort, Kentucky, this 7th day of September, 1983.
