RATES CHARGES FOR INTRASTATE TELEPHONE)
SERVICE)

AMENDED ORDER

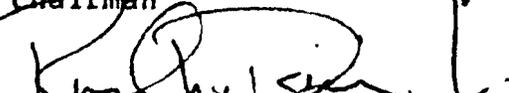

The Commission, on its own Motion, HEREBY ORDERS that paragraph 2 on page 57 of the Commission's Order entered May 2, 1985, be and it hereby is amended as follows:

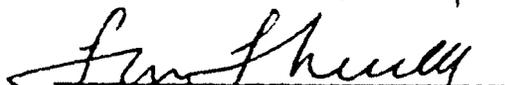

The Commission will approve Bell's proposed maintenance of customer premises inside wire and trouble isolation plan subject to certain conditions. First, prior to or concurrent with initial billing, Bell shall provide its customers a bill insert stating the terms and conditions of the plan and fully explaining customer options, including the option to discontinue participation in the plan at any time. Second, upon [] billing Bell shall itemize the charge separate from local service and all other service billing. These conditions will not affect Bell's plan to implement the charge, unless it is notified by a customer to not initiate or later to discontinue the charge. (Footnote omitted.)
