CASE NO.  
9277

O R D E R

On December 2, 1985, Jessamine County Water District No. 1 ("Jessamine County") filed a request (Motion) to withdraw this case due to the fact that the construction bid tabulations are not available at this time.

Jessamine County filed its application on February 20, 1985. KRS 278.190(3) requires the Commission to decide a rate case within 10 months from the date of filing. Jessamine County has been unable to complete its case in sufficient time to allow the Commission to render a final decision within this time period.

The Commission finds that the Motion should be granted because a rate decision cannot be rendered without the required information.

IT IS THEREFORE ORDERED that the Motion be and it hereby is granted and the application is withdrawn without prejudice.

Done at Frankfort, Kentucky, this 9th day of December, 1985.
