

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION INTO THE ECONOMIC)
FEASIBILITY OF PROVIDING LOCAL) ADMINISTRATIVE
MEASURED SERVICE TELEPHONE RATES) CASE NO. 285
IN KENTUCKY)

O R D E R

On November 10, 1986, Stephen L. Hixson filed a Motion to Intervene in Case No. 9571, a matter involving South Central Bell's measured service experiment. The Motion to Intervene was filed following the Commission's approval of the experiment and, therefore, was not acted on by the Commission. The Commission did, however, notify Mr. Hixson that he will be allowed to intervene in this case since the results of that experiment will be analyzed under the auspices of the Oversight Committee. The Commission therefore finds, on its own motion, that Mr. Hixson should be granted full intervention status in this case and become a member of the Oversight Committee.

IT IS THEREFORE ORDERED that Stephen L. Hixson be granted full intervention status in this case and be made a member of the LMS Oversight Committee.

Done at Frankfort, Kentucky, this 2nd day of December, 1986.
