On September 16, 1986, The Union Light, Heat and Power Company ("ULH&P") filed with the Commission its application seeking a certificate of convenience and necessity to qualify it to bid on a gas franchise in the city of Latonia Lakes, Kentucky. Under the provisions of KRS 278.020(3), no utility may apply for a franchise from any governmental agency until it has obtained a certificate of convenience and necessity from this Commission based on our finding that there is a need and demand for the services sought to be rendered.
