

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF VALLEY) CASE NO. 9689-C
GAS, INC.)

O R D E R

On July 21, 1987, the Commission issued its Order in Case No. 9689 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 27, 1988, Valley Gas, Inc., ("Valley") notified the Commission that its wholesale cost of gas will be increased by its supplier, Texas Gas Transmission Corporation ("Texas Gas"), effective November 1, 1988, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Valley's notice of October 27, 1988 set out certain revisions in rates which Valley proposed to place into effect, said rates being designed to pass on a wholesale increase in price from its supplier in the amount of \$1,215 or 2.16 cents per Mcf.

(2) Texas Gas filed an application for increased rates with the Federal Energy Regulatory Commission to become effective November 1, 1988. These rates are subject to refund.

(3) KRS 278.180 requires 30-days' notice of a change in rates with the Commission having the discretion to shorten the required period from 30 days to not less than 20 days upon showing of good cause. Reduction in rates will be made effective with the date of the supplier decrease. Increases in rates will be effective with 20-days' notice provided the company has included in its filing a specific request that a tariff sheet or some other notification from the supplier be considered a showing of good cause. In no case, however, shall the effective date be made prior to the actual effective date of the supplier. Valley included no request for a showing of good cause for 20 days notice. The effective date will, therefore, be 30 days after Valley's notice, or November 26, 1988.

(4) Valley's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9689 dated July 21, 1987, is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after November 26, 1988, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after November 26, 1988, subject to refund.

(2) Within 30 days of the date of this Order, Valley shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 9th day of November, 1988.
