5. GREEN RIVER ELECTRIC COOPERATIVE)
6. HENDERSON-UNION RURAL ELECTRIC)
COOPERATIVE CORPORATION)
7. COLUMBIA GAS OF KENTUCKY)
8. WESTERN KENTUCKY GAS COMPANY)

O R D E R

On March 7, 1985, the Commission issued an Order in Administrative Case No. 278 requiring the utilities listed in Section 1.02 of Kentucky's Commercial and Apartment Conservation Service (CACS) Plan to participate in the CACS program. The Commission's Order was issued in response to Title VII of the National Energy Conservation Policy Act ("NECPA"), PL 95-619, which called, in part, for the development and implementation of individual state CACS plans. Title II of the Conservation Service Reform Act of 1986 repealed Title VII of NECPA, the statutory basis for the CACS program.

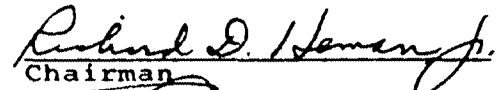

The Commission, having examined the purpose of the CACS program, has determined that multi-family apartment buildings, a major portion of the CACS program's potential, can be served under the revised Residential Conservation Service Program. Further,

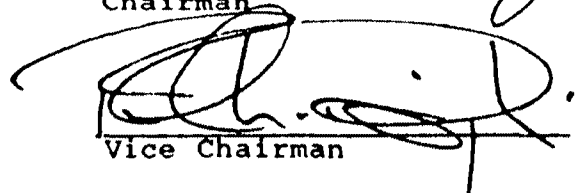

the Commission has determined that since past participation in the program by the Commercial sector has not been noteworthy, the CACS program as constituted in Administrative Order No. 278 be cancelled.

IT IS THEREFORE ORDERED that this case be, and it hereby is, established and that Kentucky's CACS program be abolished.

Done at Frankfort, Kentucky, this 13th day of November, 1987.
