ORDER

The Commission, on January 23, 2013, issued an Order directing Fleming-Mason Energy Cooperative, Inc. ("Fleming-Mason") to satisfy or answer the Complainants' claims contained in their formal complaint filed on January 3, 2013. Fleming-Mason timely filed its Answer on February 1, 2013.

In its Answer, Fleming-Mason asserts that the Complainants are not entitled to any relief regarding compensation for damaged appliances because such relief is outside of the Commission's jurisdiction. Fleming-Mason also disputes several of Complainants' factual allegations in their Complaint. Fleming-Mason did not respond to the allegations that Complainants' electricity bill was unusually high.

The Commission finds that Complainants should have an opportunity to reply to Fleming-Mason's Answer. The Commission also finds that Fleming-Mason should respond to the Complainants' allegation that their electricity bill was unusually high.

IT IS THEREFORE ORDERED that:

1. Within 14 days of the date of this Order, Complainants may file a reply to Fleming-Mason's Answer.

2. Within 14 days of the date of this Order, Fleming-Mason shall file a supplemental answer specifically addressing the allegation that Complainants' electricity bill was unusually high.
