ORDER

Adair County Water District (“Adair District”) has requested a deviation from 807 KAR 5:001, Section 17(2)(a), which requires the filing of a financial exhibit covering “operations for a twelve (12) month period . . . ending not more than ninety (90) days prior to the date the application is filed.”¹ It has provided its financial statements for calendar year 2011 and represents that there has been no change that is material in nature in its financial condition or operation since the publication of these statements.

Finding that Adair District has demonstrated good cause to permit its deviation from 807 KAR 5:001, Section 17(2)(a), the Commission HEREBY ORDERS that:

1. Adair District’s motion to deviate from 807 KAR 5:001, Section 17(2)(a), is granted.
2. Adair District’s application is considered filed as of the date of this Order.

¹ 807 KAR 5:001, Section 12. 807 KAR 5:001, Section 17(2)(a), refers to Section 12. While Adair District requests a deviation from 807 KAR 5:001, Section 12, its requested relief requires a deviation from 807 KAR 5:001, Section 17(2)(a). The Commission will consider Adair District’s request as a motion to deviate from 807 KAR 5:001, Section 17(2)(a). We note that in its request, Adair District uses references to 807 KAR 5:001 as it existed prior to January 4, 2013. Amendments to 807 KAR 5:001 became effective on January 4, 2013. To avoid confusion, we have referred to the administrative regulation as it currently exists.

3. Nothing contained in this Order shall preclude the Commission from requiring the production of information regarding Adair District's financial condition or operations since December 31, 2011.
